Acknowledgement of Receipt and Responsibilities

- We, the undersigned, acknowledge receipt of the London Schools Athletic Code of Conduct and manual of Policies and Regulations.
- We have read and understand the contents of this code and the manual of policies and regulations.
- We also understand that athletic participation is a privilege, not a right.

- We also acknowledge and accept the responsibility that violations of this code and manual of policies and regulations can result in denial of athletic participation as specified in this code and manual.
